## STILL WE LEAD IN PRICES.

You are a free people and under no obligations to trade with any certain man but you owe it to your self and your family to buy where you can get the goods for the least money, dont think because some man has sold you a few goods on a credit or accommodated you in any way that you owe your trade to him, for there never was a merchant who sold you goods on time but what he charged von enough profit to pay for waiting, and more too, and in the place of you being under obligations to a merchant for selling you goods on time for a high price, the merchant ought to be under obligations to you for taking his goods and paying him his profit. So come in and see

### The Crittenden Press THE MOTT TRIAL.

ISSUED WEEKLY.

R. C. WALKER, Publisher.

Marion precinct has made a slight inroad upon her railroad bonds. True the number and denomination retired is small, but the start is made, and the further we get into the debt the faster the inconvenience incurred in doing without the tax money, and if there are any persons who have reasons to believe that the \$15,000 was not a good investment we have yet to hear of them. There is another point it would be well, in the temporal fitness without the tax money, and if there are any persons who have reasons to believe that the \$15,000 was not a good investment we have yet to hear of them. There is another point it would be well, in the temporal fitness of them. There is another point it would be well, in the temporal fitness of them to reason the two made the following statement:

His uncle, J. H. Mott, who was also hide a man. When I picked up this paper Sam Sallenger was with me. Can't tell whether anyone had been to the body before I went there. Such paper is used in stores, I had seen on porch after shooting and kept my of the two men, Took it to be not made to the body before I went there. Such paper is used in stores, I had seen on porch after shooting and kept my of the two men, Took it to be not made to the two men, Took it to be not the two men, T of things, to remember, and that is following statement: that Marion precinct is paying the \$15,000 which got the road, benefitting the entire county in a way that can not be estimated in dollars. Of couse Mar ion and Marion precinct are proud that they are able to do this and rejoice that in helping themselves they help the entire county, People who may entertain sny prejudice against towns, (and there once were such people) should remember this, and those who are inclined to think Marion a little extravagant when she wanted a small appropriation for an iron fence the public wily hide of the court house, could profitably call
